

## **Update on the Vietnamese Government's Persecution of An Cu Buddhist Temple in Son Tra District, Da Nang City, Vietnam**

### **(1) General Information:**

This report is an update of the 2017 religious incident report (previously submitted to the Special Rapporteur in May 2017 and resubmitted with the current report for the reader's convenience) on the persecution of An Cu Buddhist Temple and its congregation in Son Tra District, Da Nang City, Vietnam. The temple's abbot has steadfastly remained with the independent, persecuted Unified Buddhist Church of Vietnam (UBCV). A recent Son Tra District decision resulted in the November 9, 2018 date of forced eviction of the temple's abbot and immediate demolition of the temple.

In the past few years, the local government has been harassing the congregation and temple monks in various ways, including using security forces to deny entry to the temple on the days of major Buddhist celebrations, issuing invitations to individual adherents to report for interrogation in order to intimidate them and stop them from coming to the temple, among other tactics. The imminent seizing of the temple without proper compensation and other assurance to allow its replacement will ensure the disappearance of another independent Buddhist temple, thus serving the central government's strategy of placing all religious organizations under the Communist Party's control.

- Does the incident involve an individual or a group? A group.
- If it involves a religious or belief group please state the number of people involved and the denomination of the group: The congregation An Cu Temple and its abbot,.
- Location of the incident:  
Area 49, An Hai Bac Ward, Son Tra District, City of Da Nang, Vietnam.
- Nationalities of the victims: All are Vietnamese citizens, main ethnic group (Kinh) of Vietnam.
- Country(ies) in which the incident took place: Vietnam
- Nationality(ies) of the victim(s): Vietnamese
- Does domestic law require (re-)registration of religious associations and if yes, what is the current status of the group in question?

Vietnam requires all religious organizations to be registered with the government. UBCV is an independent religious organization established before 1975. After 1975, many of UBCV's monasteries, temples, educational and charitable facilities were taken over by the government. The government has been persecuting UBCV in an attempt to seize its remaining temples. Temples are coerced to join the government-sanctioned Vietnamese Buddhist Sangha (VBS) established in 1981. Otherwise, the government persecutes using measures such as disrupting religious events, preventing adherents from attending events, requiring victims to come to police stations for interrogations, threatening them with imprisonment, etc.

**(3) Information Regarding the Alleged Violation**

The district's plan for developing the An Cu 4 Residential Project calls for taking various land parcels in the community, including An Cu Temple's land. The government intended to get rid of the independent temple through offering an unacceptable compensation for the land, at less than 2% of the property's market value, making it impossible to rebuild an independent temple anywhere else within the congregation's reach (pp. 2 and 3 of the 2017 report).

The Decision of the People's Committee of Son Tra District of September 24, 2018 (See Evidence Addendum) indicated that they would take the land by force no later than November 23, 2018 (no mention of a more acceptable and fair compensation). Ven. Thien Phuc responded by posting a petition on his Facebook page (See Addendum) requesting the government to build a similarly sized temple before relocating him, or give him a parcel of land of the same size within the community while ensuring that the appropriate agencies issue the needed permits to build a new temple (again, letting him stay at the current temple until the other one is completed).

A recent Notice of the Committee for Forcible Measures of the District dated November 2, 2018 requested Ven. Thich Thien Phuc to be present at the temple site at 8:00 am on November 9, 2018, the date that the committee chose to take over the temple on behalf of the district government (see Addendum).

**(4). Steps taken by the victim, his/her family, or anyone else on his/her behalf**

- Please indicate if complaints have been filed, when, by whom, and before which State authorities or competent bodies (i.e., police, prosecutor, court, etc.).

Ven. Thien Phuc wrote a petition on his Facebook page requesting the local government to build a new temple of the same size to exchange for his current temple to be demolished, or to provide funding and permits for his construction of a new temple near the An Cu 4 Project.

- Were there any other steps taken? None.

- Steps taken by the authorities: None, because the government is the perpetrator.

**MONK THICH THIEN PHUC ON THE GOVERNMENT’S DECISION TO TAKE BACK THE LAND OF AN CU TEMPLE IN SON TRA DISTRICT OF DA NANG CITY (October 2018 Facebook post)**

I, Cui Van Huynh, religious name: Thich Thien Phuc, currently residing in An Cu Buddhist Temple, previously Cluster No. 171 and currently Cluster No. 80, An Hai Bac Ward, Son Tra District, Da Nang City, would like to submit to you, the senior government officials, my petition related to your taking back the land to turn it over to the Management Committee of the Bach Dang Street Project aiming to build the An Cu 4 Residential Project.

Senior government officials leading the various levels of government: Considering that this project is an ordinary residential development project and not a major Ministry of Defense project or one of national scope, relocating us within the community is possible. We will relocate for the sake of the city’s wellbeing and development. Still, we submit the following petition:

**ALTERNATIVE ONE**

- We will not sell the temple’s land
- We will not accept compensation, either monetary or in the form of another land parcel elsewhere
- We will not relocate immediately. Give us a replacement parcel of the land in the same area on Vuong Thua Vu Street of the same size, 317.8 square meters, as the current temple, and build for us another temple of the same size as recorded in your assessment document. Once the temple is built, please issue us the permit to use the land and the property situated on it. At that time we will hand over our current permit and proceed to hand over the current site before relocating.

**ALTERNATIVE TWO**

- If you prefer that we build the new temple, please give us an equivalent parcel as previously described. The Office of Natural Resources and the Office of Construction should issue to us the land use permit and construction permit to enable us to have the new temple built. Please ensure that we will have sufficient time to complete

construction in view of potential risks and let us put up the sign plate as currently displayed in our current temple. At that time we will turn over the current site.

If the government would not choose either alternative, please notify me 15 days before the forcible eviction to allow me time to pack my clothes and other personal items. On the eviction day, I will willingly leave the temple to the government. Please allow me to witness the demolition of the temple. Afterwards, I will find a place to stay.

May you all enjoy good health.

TÂM TÌNH CỦA THẦY THÍCH THIÊN PHÚC VỀ VIỆC NHÀ CẤP QUYỀN THU HỒI ĐẤT CHÙA AN CƯ - QUẬN SƠN TRÁ, THÀNH PHỐ ĐÀ NẴNG.

Tôi tên Huỳnh Văn Côi, Đạo hiệu Thích Thiện Phúc. Hiện trú tại Chùa An Cư, Tổ 171 nay là tổ 80 Phường An Hải Bắc, Quận Sơn Trà, Thành phố Đà Nẵng. Tôi kính trình đến các cấp lãnh đạo kiến nghị về việc thu hồi đất. Giao cho ban quản lý dự án công trình đường Bạch Đằng sử dụng để xây dựng khu dân cư An Cư 4.

Thưa quý ông bà lãnh đạo thuộc các cấp chính quyền. Xét rằng dự án trên không phải là một dự án quan trọng thuộc bộ Quốc phòng hay các dự án có tầm cỡ của Quốc gia. Mà là một dự án khu dân cư bình thường. Vì vậy, yêu cầu tái định cư tại chỗ là điều khả thi. Vì sự an sinh và phát triển của thành phố, vì sự tọa lạc của chùa An Cư chúng tôi, chúng tôi sẽ ra đi nhưng chúng tôi kiến nghị:

**THỨ NHẤT:**

- Chúng tôi không bán đất Chùa.
- Chúng tôi không nhận tiền đền bù, không nhận đất ở nơi khác.
- Chúng tôi Không chấp nhận đi đến địa phương nơi khác. Hoán đổi đất và tái định cư tại chỗ đường Vương Thừa Vũ cho Chùa một lô đất bằng tổng diện tích đất mà Chùa bị thu hồi là 317,80m2. Lằm lại chùa tương đương với diện tích đã được đo đạc như trong bản kiểm định. Sau khi xây dựng xong cấp quyền sở hữu sử dụng đất và tài sản gắn liền trên đất, thì chúng tôi sẽ trao quyền sở hữu sử dụng cũ và tiến hành bán giao mặt bằng về nơi ở mới.

**THỨ HAI:**

- Nếu muốn chúng tôi tự định đoạt thì phải cấp lại đất tương đương cũng như trên, số tài nguyên và số xây dựng phải cấp giấy quyền sử dụng đất và giấy phép xây dựng để chúng tôi tiến hành làm lại nơi mới, phải bảo đảm thời gian chung tôi xây dựng lại kéo tránh những bất trắc có thể xảy ra, đồng thời treo bảng Chùa như cũ. Chúng tôi sẽ bán giao mặt bằng.
- Trường hợp không giải quyết được, nếu cưỡng chế thì chính quyền thông báo cho tôi biết trước 15 ngày để tôi dân xếp y phục và dụng cụ cá nhân. Đến ngày cưỡng chế khi chính quyền đến chúng tôi tự đi ra và giao Chùa cho chính quyền định đoạt, cho chúng tôi xem cảnh phá Chùa. Xong chúng tôi đi tìm nơi tá túc.

Kính chúc Quý Ngài Sức Khỏe. Người kiến nghị kính trình.
